**Re: WC Docket No. 06-202, In the Matter of Corona Holdings, Inc.,
Application for Authorization Pursuant to Section 214 of the
Communications Act, as Amended, for Transfer of Control**

Dear Ms. Dortch:

Corona Holdings, Inc. ("Corona"), by counsel, hereby files this supplement to the domestic Section 214 transfer of control application filed by Corona on October 30, 2006 (the "Application"). The Attachment contains information regarding the states of incorporation and area served associated with each of the Telecommunications Carriers disclosed in the Application.

In addition, for those Incumbent Local Exchange Carriers involved in the Application that are operating in the State of Colorado (Rye Telephone Company ("Rye") and South Park LLC d/b/a as South Park Telephone Company ("SouthPark")), Corona has also attached a state map reflecting these companies' respective service areas.

Finally, Corona corrects two inadvertent oversights contained in the Application. On page 8 of the Application, CableCo, LLC ("CableCo") was inadvertently referenced as a dominant carrier with respect to the response referencing Section 63.02(b)(2)(ii). CableCo is a non-dominant Interexchange Carrier, and the reference to it as being "dominant" was an error. Likewise on page 8, South Park should have been noted as an independent telephone company along with Rye. These inadvertent errors have been corrected on the attached revised page 8, and Corona requests that it be inserted in the Application as a replacement page.

Ms. Marlene H. Dortch
Secretary, Federal Communications Commission
